OFFICE OF LEGISLATIVE COUNSEL

Monday - 4 May 1970

1. (Confidential - JMM) Called the attention of Boyd Crawford, Staff Administrator, House Foreign Affairs Committee, to the press item quoting Committee member John Tunney (D., Calif.) as requesting the Committee to look into charges of CIA involvement in the Cambodian coup. I assured Crawford of the facts regarding our noninvolvement, which he accepted and seemed to appreciate. He was not aware at the time of Tunney's statement.

2. (Internal Use Only - JMM) Called Boyd Crawford, Staff Administrator, House Foreign Affairs Committee, to ask about the European trip of Colonel John J. Brady, of the Committee staff [redacted] 25X1  
[redacted] had queried us regarding Brady's security clearance and mission). 25X1  
Crawford said Brady held top secret clearance but was merely looking into possible consolidation of U.S. bases and forces abroad, and the general NATO picture, and had no interest in intelligence matters as such. This information was passed to [redacted] 25X1  
[redacted] 25X1

3. (Confidential - GLC) George Murphy, Deputy Director, Joint Committee on Atomic Energy, advised that [redacted] of DIA, had been in touch with him about a briefing of himself and Ed Bauser, Director, JCAE, at the SI level on Wednesday. [redacted] has been in touch with our security people about this. Murphy has SI clearance and DIA will brief Bauser before the Wednesday briefing. 25X1
